PAGE 12 OF 12 IJDC TEMPLATE - 05/17

**To: whomever it may concern: this is need to know for security services.**

**Government'(s), agencies, security, & security details.**

It is their duty, and job for them to uphold the laws and by laws of the state or community.

It is not their job to prevent the rightful people from each other.

In other words, it is their job to help protect people or certain individuals not to prevent them from being with their significant others. Currently they are not doing that they are failing to do their duty and jobs. That is my spouse that is my family and when I give orders to protect them if they disobey rebel mutiny or whatever type of offenses those are damnable offenses against the word of God not mine. If I give orders to how my spouse, is put her in prison, it is for her own good it is not because I am trying to be mean. Furthermore, those other males going after my spouse are automatically damning themselves because she is already, sanctioned, Meaning dedicated, by God to me.

**Concerning Federal laws and State'(s) Laws'(s)** The state of California or other state agencies have been committing treason against the federal government and federal offices and federal employees.

Examples are the federal government states that the state governments cannot put taxes on the federal government. Federal offices, federal employees or federal employers.

Therefore, by me being a federal employer and having my federal office the state is infringing and overstepping their bounds when they are trying to dictate to me about my issues with the state courts or Napa Valley Superior court of California.

**For examples:** Be holy: meaning be pure, clean.

1. Divinity designations are not supposed to be taxed; reasons for that is you cannot put man's laws over God's laws.

2. Federal government is over state governments. Therefore, State offices or officials & their third parties or overstepping on Federal offices and federal employers.

Given an example's, call Napa Valley State Superior Court to United States Navy Federal government. Official office. Federal employer.

For your information, this is for State officials that are not aware of their actions against the federal government or federal employees, federal employers, both or multiple.

**For females**

They need to have an understanding once they pick up male it is forever. It is not that they can choose to go back doing so is damning themselves when they choose a male and then say oh I don't really mean or I didn't mean what I meant when I picked you or accepted you,

For people trying to take things out of context that is automatic damnation.

**Apologetics V. Limits** Apologetics meaning: weak and wrong for repeat offenders setting limits is right because there needs to be a real response to peoples transgressions. Alternatively, they will not stop transgressing against God's laws. What he has commanded.

- That is basic Right Theology and doctrines.
- Covenant Marriage and those specific relationships are serious.
- This is not a joke; this is the word of God not mine.

**This is the reason that God says in his commands thou shalt not commit adultery, do not covet your neighbor's wife.**

Thank you,

Elias Torres Ramirez.
